

The 852CC is a centralized shredder and a powerhouse in performance. It has an easy keyboard operation with rotary main switch. There is an optical or audible fault indication and an automatic reverse in case of a paper jam. The wide slot feed opening is for flat paper and a large hopper accepts an entire bin full of waste. This shredder is large capacity with a fully enclosed dust-free mobile base. The continuous duty motor is maintenance free. It accepts paper clips, staples, credit cards, CDs, DVDs, floppy disks, passports, ID cards, Microfiche, and audio cassettes.
