

KF-200 Knife Folder

In-line folding add-on to your existing creaser

Supports heavier paper stocks

Compatible with most creasing machine brands

Automatic sheet set-up

User-friendly touch-screen control

Easy to follow touch screens:

Add to your existing creaser for superior in-line folding, even with heavier paper stocks.

Proximity Sensor

Knife Fold Chassis

Skew Adjust

The COUNT™ KF-200 Knife Folder is the perfect companion to COUNT creasers, for users who want to add in-line folding of digital media. It's also compatible with almost any other brand of creasing equipment, offering a micro-adjust feature to compensate for variances in fold settings of creasers from other manufacturers. This machine is ideal for use in applications with heavier stock (up to 350 gsm card stock) where standard bucket folders can't get the job done – the KF-200 gives you a clean fold without cracking or bending the stock.

The KF-200 is equipped with a variable speed output conveyor featuring a unique proximity sensor that detects movement and ensures the smooth even flow of folded paper onto the exit tray.

KF-200 Knife Folder

An add-on to your existing creaser providing a superior in-line, folding solution that avoids cracking of digital media.

Features

- An ideal companion to COUNT™ creasers (FC114, FC114 A, AccuCreaser or EZCreaser).
- Compatible with almost any creaser – built-in micro-adjust feature compensates for variances in fold settings of different creasers.
- User-friendly touch screen for easy set up and control of the machine.
- Keep paper feed aligned at all time with a simple adjustment control.
- Clear top lid provides visibility and access to paper jams.
- Innovative sensor at paper exit moves paper out of the way automatically, keeping exit clear.
- Comes with 6 pre-set folds; plus a custom option to accommodate almost any fold.
- Components are strong and durable, yet up to 43% lighter than competitive in-line folders, so it's easier to handle and maneuver into place.

Automatic Setup for 6 Common Folds

Bi-Fold
Tri-Fold
Z-Fold
Letter Fold
Gate Fold
Double Parallel Fold

Plus, a custom option for almost any type of fold.

Specifications

Model:	KF-200 Knife Folder
Model No.:	KF-200
Paper Feed:	Friction
Weight:	224 lbs (102 kg)
Max Speed: (sheets per hour)	4,600
Paper Weight Range: (gsm)	120-350
Dimensions:	47.0 H x 28.0 W x 67.0 L in (119.4 x 71.1 x 170.2 cm)
Max Sheet Size:	14.5 x 33 in (35.5 x 84.0 cm)
Min Sheet Size:	4.75 x 5.5 in (12.1 x 14.0 cm)
Electrical:	110/220 V, 50/60 Hz
Made in:	U.S.A.
