

# Introducing the new **FUSION™** Laminators

## Why Fusion™?

Time and again you asked for fast warm-up times, fast laminating speeds, and easier to use machines. Fusion™ combines what you want and what you need in lamination. From the ground up, Swingline™ GBC® created an all new lamination line. We streamlined our products and the lamination process, incorporating cutting-edge technology into a sleek, modern design. Delivering unmatched speed and simplicity, Fusion™ makes lamination faster and easier than ever before.
