

Dahle 50310 Shredder

Oil-Free Small Office Shredder

The Dahle 50310 Small Office Shredder is oil-free and supports the document destruction needs of busy offices with 1-3 users. It features oil-free, hassle-free operation, SmartPower energy management, and Trident Grip jam protection to eliminate frustration. This P-3 shredder produces a 3/16" x 1 9/16" particle size and holds up to 23 gallons of shredded waste. It's German engineered and guaranteed to provide many years of trouble free operation.

OIL-FREE

Wondering when your shredder was last oiled is no longer a concern with this oil-free, hassle-free shredder. Through clever engineering, this machine maintains peak performance without the aid of oil.

JAM PROTECTION

The cylinders Trident Grip design produces three continuous points of contact with the paper, pulling it straight through the cylinders providing unprecedented jam protection. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

Product Features

Oil-Free / Hassle-Free Shredding

- Aggressive Matrix High Performance Cylinders
- Maintains performance without the need for oil
- Environmentally friendly

Trident Grip Jam Protection

- 3 continuous points of contact prevents paper shift
- Reduces jams and eliminates frustration

SmartPower Energy Management

- Reduces energy consumption automatically
- Saves on electrical costs

German Engineered for Reliability

- Peace of mind- trouble free operation

Convenience Features

- Automatic on/off convenience
- Bin-full automatic shutoff

Shreds CDs, Credit Cards, Clips, & Staples

Aggressive cutting edges provide grip and superior shredding performance.

The command dial controls power up, reverse, and continuous run functions.
