intimus®

# Large Document Shredder with Baler

The Standard Version: Data shredder with integrated, mobile container for the shredded material.

MODEL 16.87

Actual Shred Sizes

5/16"
Model: 16.87-7.8SC

1/4" x 5/8" - 2"
Model: 16.87-6X15X50

5/16" X 2"
Model: 16.87-7.8CC

Wherever there is a need for shredding large quantities of expired/sensitive data, in strict compliance with data security practices, then it is more economical to do this at one "central" location. The extensive Intimus selection of large shredders perfectly combines the performance and security requirements, guaranteeing an investment with an excellent price/performance equation.
