A Smarter Connection

The innovation that sets MobilePro Series™ apart from other folios and keyboards is the patent-pending SmartConnect Case™ and SmartConnect System™.

The SmartConnect Case™ has a built-in stand and durable snap-in tray to allow users to view their iPad® at three different angles, both in portrait and landscape orientations – while attached to the folio or on its own.

The SmartConnect System™ securely connects the MobilePro Series™ Bluetooth® Keyboard to the folios creating an all-in-one mobile workstation that is easily portable and travels well.
