

Dahle 51422 Shredder

DAHLE CleanTEC® Shredder

Sheet Capacity

CleanTEC® Air Filter

EvenFlow Lubricator

Jam Protection

SmartPower Management

German Engineered

Product Features

CleanTEC® Fine Dust Filtration

- Closed system collects up to 98% fine dust particles
- Provides cleaner, healthier work environment

Automatic EvenFlow Lubricator

- Provides continuous oil across the cutting cylinders
- Ensures peak shredding performance

Trident Grip Jam Protection

- 3 continuous points of contact prevents paper shift
- Reduces jams and eliminates frustration

SmartPower Energy Management

- Reduces energy consumption automatically
- Saves on electrical costs

German Engineered for Reliability

- Peace of mind- trouble free operation

Shreds Credit Cards, Clips, & Staples

The DAHLE CleanTEC® 51422 Office Shredder destroys confidential information while producing cleaner air. It features an internal filter system that traps up to 98% of harmful fine dust particles, and an automatic EvenFlow lubricator to ensure optimal performance. This P-5 shredder produces a 1/13" x 9/16" particle size and holds up to 30 gallons of shredded waste. It's German engineered, and guaranteed to provide many years of trouble-free operation.

DAHLE CleanTEC®

Breathe easy while using the world's only shredder with a fine dust filter system. This integrated system permanently traps up to 98% of the fine dust, and provides a cleaner, healthier work environment. EvenFlow Lubricator- Just like any fine-tuned machine, your shredder needs to be properly oiled to run at peak performance. This DAHLE CleanTEC®

is equipped with an automatic oiler which provides slow, continuous oil across the entire cutting mechanism.

JAM PROTECTION

The cylinders Trident Grip design produces three continuous points of contact with the paper, pulling it straight through the cylinders providing unprecedented jam protection. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

The CleanTEC® filter traps up to 98% of the fine dust and provides a healthier work environment.

The EvenFlow Lubricator provides continuous lubrication and ensures peak performance.
